Will events be virtual or in-person?

2023 events are planned in-person. We are excited to plan these on-campus experiences to engage the entire Pacific community in-person. (The University will require health and safety precautions at all in-person events, and is closely monitoring County, State and Federal guidelines.) Stay tuned for up-to-the minute details on what's happening on campus by making sure we have your email address. [Update your contact information.](#)
