The minimum GPA required to apply is a 3.0. It is anticipated that the average GPA of students admitted for the Fall will be 3.5 or above.

I have a graduate degree. When I calculate my overall GPA, should I include my graduate course grades?

Yes. Your overall GPA calculation will include post baccalaureate coursework.

I have taken courses on a semester system and on a quarter system. How do I convert from semester credits to quarter credits so that I might calculate my GPA?

A 3-semester unit course is the equivalent of a 4.5 quarter unit course.

- To convert from quarter to semester units, multiply quarter units by .67
- To convert from semester to quarter units, multiply semester units by 1.5

GRE

Are GRE exam scores required for application?

No, GRE score submission is optional at this time. They are not required for submission.

Admission Process

When will I find out if I was admitted?

Applications and admissions are reviewed on an ongoing basis. We evaluate applications as they are received and will continue to evaluate applications until all the slots for the incoming class have been filled.

If admitted to the program, when will I need to make my decision?

The "Confirmation Deadline" is the date by which we need to receive a response from you regarding your admission decision. Individual confirmation deadlines are given based on your admission date. You will be notified of your confirmation date at the time of admission and will not be able to enroll in classes until you confirm your admission.

What happens if I'm placed on the waiting list?

If you meet the admission requirements, but we have already accepted the number of applicants it has room for, you may be placed on our waiting list. You will be notified of your waiting list status by April 1. We will send admissions notices to you as spaces become available.

If you have any additional questions regarding the application process or about other aspects of the graduate program in audiology at Pacific, please contact the Department Chair's office at pacificaud@pacific.edu.
