Will I receive a parking permit?

You will no longer receive a physical permit. Under the new virtual system, your license plate functions as your permit. You only need to check your email for a confirmation email showing that your permit purchase was approved. Also, please make sure your vehicle has a front and back license plate.

Is a pretax deduction available?

Yes, Pretax parking flexible spending accounts are available to benefit eligible employees through Human Resources and require you to front-load the account before purchasing your permit. To find more information on this benefit and how to elect your deductions, you can visit the [Flexible Spending Account](#) website. Elections will need to be made through your [Benefit Portal](#). This benefit can be selected at any point during the year, on a monthly basis. Please note that to elect deductions for August, employees will have until the end of July 26, 2023, to set up deductions.
